- The school must be notified immediately of any infectious diseases.
- Health Department Regulations stipulate that no child suffering from any contagious illnesses including gastro-enteritis, conjunctivitis (pink eye), or any infectious diseases, such as Measles, mumps, and chicken pox may be admitted to the school.
- No child is allowed with nits or lice, not even during treatment periods. We do regular checks. Should your child be found with either lice or nits, you will be called to collect your child immediately. When your child is nit or lice free, they are welcome to return to school.
- Should your child become sick whilst in our care, the situation will be assessed, and you will be contacted to collect your child immediately.
- If the incident be of a more serious kind, you will be contacted immediately for you to make the necessary decision.
- The school reserves the right to obtain medical assistance from any medical doctor/ ECMR Medical Response or Schuin Villa Pharmacy available in emergencies if unable to make contact with the parents. The resulting costs will be the responsibility of the parent.
- We take the utmost care in preventing injury while children are in our care.
- Should a child get hurt whilst in our care, we will assess the injury, fill out an "incident report form" and advise you of the incident.

Medicines

- We will only administer medication once per day at 12.00pm. (Subject to Covid-19 protocols). Ensure it is clearly marked in a sealed container or zip lock bag with the child's name.
- All medicine must be handed to a supervisor by the parent. **Never leave medicine in your child's bag.** Parents are to put clear instructions onto the Umbilically App under the child's profile. No medicine will be administered if it is left in the bag and not loaded on the Umbilical App by 9am on the day.

Absenteeism

- If your child will be absent on any day, please notify the school before 09:00 am, for catering arrangements. This can be done via the Umbilically App or by calling the school reception or WhatsApp.

Clothing - Kindly note that the uniform is compulsory for Grade 0 & Grade R

- Children should wear suitable and comfortable clothing to school. They run and play outside on the jungle gyms, and they paint, therefore any restrictive, new or fancy clothes are unsuitable. Please put shorts or some sort of pants under your daughter's dress, as children tend to be curious creatures.
- Each child must have a marked hat to wear during outside play times. These hats must stay in their bags.
- All items must be marked with the child's name. Articles of clothing, which are left behind, are kept in a Lost & Found container from where it may be collected. Clothes not collected by the last day of the year will be donated to charity. We are not responsible for any unmarked lost items.

Toiletries & Blankets

- Each child must always have a bottle of sun block in their bag, and you will be advised when it needs replacing.
- Toiletries are due on 30 January 2023 (x6 wet wipes & x6 tissues) and 1 June 2023 (x6 wet wipes & x6 tissues).
- Each child must bring a blanket with his/her name on it to leave at school. Blankets will be sent home on a Friday, and we expect it to come back to school on a Monday. No child is allowed to share blankets.

Nappies (if applicable)

- Kindly provide a minimum of six (6) disposable nappies per day and any cream if needed. Unused nappies will be left in the bag.

Food

- Breakfast and a cooked lunch are provided.
- Parents must kindly send a snack for 10.00am and 2.00pm consisting of: yogurt, a sandwich, fruit, biscuits, small packet of chips and fruit juice/cool drink. (Kindly note these are only examples). Children may not bring ANY sweets to school.

Toys

- As toys are provided by the school, the children are not encouraged to bring their own from home. We will not be held responsible for ANY loss or damage whatsoever in respect of toys brought from home.

Emergency plan and execution thereof

- The practice of the emergency plan once per term is compulsory.
- Should an emergency occur at the daycare, we have the following procedures in place:
 - Our security company is linked to the various authorities, i.e., Atlas security, police, fire department, and ECMR Ambulance.
 - Management will be advised and will advise parents via the Umbilically App or via WhatsApp.

Drop-off / Collections

- To benefit fully from our programme, we request that you ensure that your child is dropped off punctually, i.e., on or before 8:15 am to ensure that the class routine starts on time. Please note that our fees are for a full month, and regrettably no discounting will apply for absenteeism.
- Children will not be allowed to go home with anyone other than the specified person indicated on the Enrolment Contract. In the event of someone else fetching your child, please ensure that it is loaded on the Umbilically App under your child's profile before collection or via our What's App number. Your child's safety is our top priority.
- A penalty of R10 (Ten Rand) per minute will be charged for late collection unless otherwise arranged. Parents will sign an acknowledgement form and penalties must be paid by the end of that month when paying school fees.

Birthdays

- We like to celebrate each child's birthday in their class and make it a special day for them by means of a birthday ring. A small cup cake for each child in the class on that day would be appreciated and sufficient. You are also welcome to send a party pack to school along with the cake.
- Birthday ring takes place at 10.00am or 14.30pm. We will take photos that will be uploaded onto the Umbilically App.

Appointments with Teachers/School Management and Principal

- Should your child have a problem that you would like to discuss with the teacher, please make an appointment through the office to see the teacher at a suitable time. We ask that parents do not keep the teacher from her duties when dropping the little ones by engaging in idle chit-chat.

CCTV

- Closed circuit cameras are in use at the school, in all classrooms and on the playgrounds.
Please note that these are for the use of management only.

General Hygiene

- Children must be clean on arrival at school: clean clothes, bodies, faces, hands, teeth, and nails, as well as clean nappies. Hair must be clean and neatly brushed. Nails must please be cut short.

- **Discipline**
- **Grow Good Corner (Time out):** We believe in positive reinforcement and therefore children get sent our “Grow Good Corner” for time out.
- **Swearing:** We will have a meeting with parents and pupil should this behaviour continue.
- **Disregard to school property & fellow pupils or teachers:** Should a child break school property, a fellow pupil’s property, or a teacher’s property due to them ignoring the command of an adult, the parent will be asked to pay for the damages done.
- **Inappropriate sexual behaviour:** This will be brought to the parent’s attention immediately. Please be aware of what your child listens to or watches on TV and with whom they hang out.
- **Continuous disregard/disrespect to teachers:** We are experiencing children who have a lack of good manners, who will not listen to reasonable instructions and who have little respect for authority. This makes our job extremely difficult & frustrating. Should this behaviour continue after a meeting with the parents, we will ask the parents to remove the child from our facility, as such behaviour has a negative impact on the whole class.
- **Biting:** This is common at certain ages. We suggest a time out in the Grow Good Corner and this will be discussed with the parents should it continue.
- **Bulling:** We do not tolerate bullying.

Security and Parking

- We request that you be considerate when parking. Please be aware of children and other traffic along with road signs and markings.
- **Regrettably, no adults will be allowed onto school grounds, the playgrounds or in the classrooms without obtaining permission from Reception.** Our priority is to ensure that we keep the children’s environment as safe and secure as possible.
- Ensure that your vehicle is locked properly. Parking lots are an attraction for car jammers. (We have had some incidents).
- **Please adhere to the one-way route in the parking lot and ensure that you do not stop or drop off in the No Stopping Zone.**

Extra Murals

Optional extra murals are available at an additional cost and take place at the school.

Grade R

The R in Grade R stands for Reception. It is the year that our children are received into the exciting world of 'big school'. If their reception is warm and fun, they will have an excellent foundation for coping with school and develop a love for learning.

In Grade R, children officially become learners in the language of schooling. Grade R learners move from mostly unstructured learning to structured learning, where they learn to sit quietly and have structured lessons with a formal curriculum for the first time.

Grade R Curriculum (5 to 6 Years Old) for the year. Lessons - Mathematics, Language, Life Skills all theme based. CAPS Compliant, Department of Education approved.

We believe that when children are involved, they learn, discover, and comprehend. We make use of the Curious Readers, Tippie Series to introduce your child to reading. Tippie is a unique, proudly South African elephant whose stories are relevant and appropriate to children of all ages. Tippie focuses on sound development, linking sounds and letters as well as building success and self-confidence in reading.

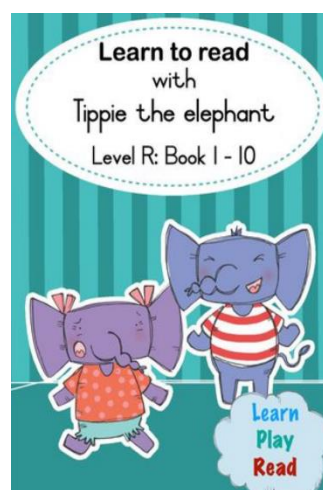

At Incredible Kids we pride ourselves on the standard of learning we provide for our children.
